Dr. James Proodian
Natural Healthcare Center
10 West End Court
Long Branch, NJ 07740

Dear Dr. Proodian,

Thank you so much for speaking at the Central Jersey Young Professionals seminar on October 26th. I know I truly learned a lot that night about nutrition and eating healthier. Many of the attendees also commented that they thoroughly enjoyed your presentation.

We hope to have you come back and present additional seminars for us. It was such a great experience!

Thank you again,

Nicole Mercadante Mariano, MSW
